

Most Holy Trinity Catholic School

Uniform Policy

We encourage our students to take pride in their Most Holy Trinity Catholic School uniform. Our dress code fosters the goals of Catholic education by promoting concepts of equality and community in young people. Therefore, proper school attire and grooming are considered an important element in creating an atmosphere in which educational objectives are met. Parents will be notified when students fail to comply with the school uniform policy and consequences may include, but are not limited to, loss of “dress differently” privileges. Our uniform can be purchased at National Dry Goods and various other national/local retailers.

The school administration has the final decision as to what is or is not a violation of the dress code.
