IN THE EVENT WE RETURN TO DISTANCE LEARNING

If we are asked to transition to Distance Learning due to the State of Michigan transition back to Stage 3, Most Holy Trinity has been given a robust plan to implement from the Archdiocese of Detroit.

In order for this plan to be successful, we ask that families:

- Have reliable internet capable laptops or desktops
 - If any family requires such a device please contact the school office
- Designate a quiet common area for students to learn
